As young as you feel

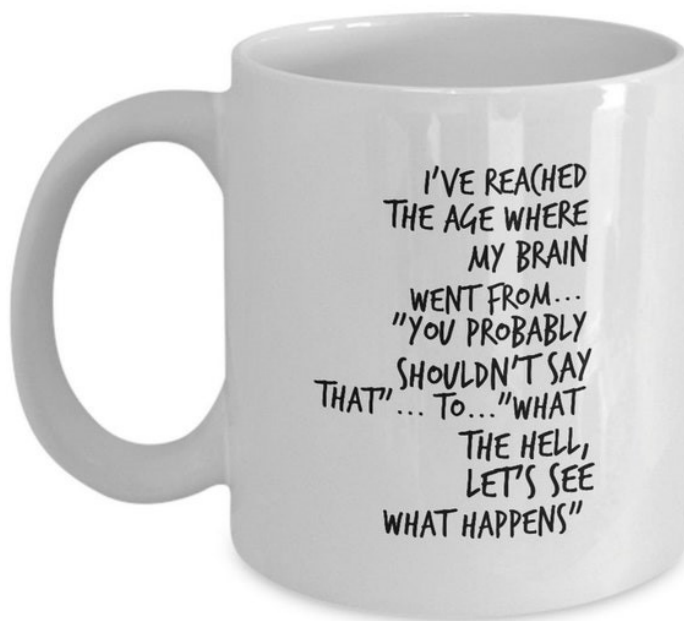

As a retiree, I'm often asked what I do to fill my days. Well, for example, the other day my wife and I went into town for a little shopping. After visiting one store for about five minutes, we emerged to find a cop writing out a parking ticket.

We went right up to him and said, "Come on, how about giving a senior citizen a break?"

He ignored us and continued writing the ticket. I called him a disgrace. He glared at me and started writing another ticket for having worn tires.

My wife called him worthless, so he finished the second ticket, put it on the windshield and started writing a third. This went on for another 20 minutes or so. The more we abused him, the more tickets he wrote.

Personally, we didn't care. We came into town by bus.

Editorial

Welcome to the September newsletter.

First off don't forget our AGM is on Wednesday night 5th October.

Thanks everyone for the great content, if you sent me something and you can't see it in here, don't panic, it'll be in the next edition, we were a bit tight on room this month. If anyone spots any good jokes or funnies, don't forget to send them in too. They're always handy to have.

Congratulations to those who were given their 10 year membership badges, I've included some photos below.

Also condolences to Pam Amezdroz and the family on the passing of Peter recently.

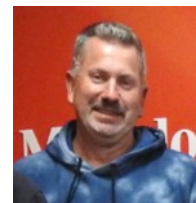

Please make sure you check both the calendar and the listing of events, on two separate pages, as sometimes events are on over a few days. Having the events listed makes it easier without clogging up the calendar with the events.

**DEADLINE FOR
SUBMISSIONS FOR THE
SEPTEMBER MOTOR
MOUTH
16th SEPTEMBER**

President

Welcome to the September Motor Mouth.

August has been a busy month. The general meeting was held on Wednesday night, with many members who are unable to attend Sunday meetings coming along. Our guest speaker Phil Edwards was unable to attend due to Covid, and will reschedule. Some deserving members received their 10-year membership badges. We were introduced to our youngest member 'Margaret Kovacs', 3-week-old with her proud parents Steve and Nicky, congratulations.

Peter Amezdroz passed away on the evening of 3rd August. At Peter's request the funeral was held at the clubrooms on Saturday 13 August so that all his friends could attend. It was a lovely celebration with so many members attending. It's nice to learn how much the club meant to him. In this edition we have the final Peter's Page and he will certainly be missed by us all.

The Bowling Challenge was held with the Western Restorers Club at 'Xplosions Bar and Bowl' in Melton Saturday 20th August. It had been 2 years since we last met for an evening of fun. There were plenty of members from both clubs to form 2 teams each, competing for the trophy, and just as many to support and provide plenty of banter. The final score was Macedon Ranges 2709, Western Restorers 2372. We get to keep the pin for another year. Individual awards Highest score Joe and Yvonne both from Western Restorers Lowest scores Lawrence and Erin from Macedon Ranges. Look forward to next year's challenge.

At Coffee and Cars, we met up with the Chrysler Restorers Club as they were leaving for their run to Smiths Chrysler Museum in Kyneton. The weather was great and we had another good turnout of cars and bikes.

Clubrooms news. We have had the exterior doors in the entrance foyer replaced and new locks fitted. During this process we found the foyer roof has been leaking so some guttering and flashing will need to be replaced.

October 5th is the clubs Annual General Meeting. The formal notification has been sent. This is an opportunity for you to put your hand up for an executive or general committee position. We would like to see all positions filled. Voting for club member of the year award is open as well, so please get involved in your club

See you on the road.
Adam

Vice President

Hello Everyone,

It's been another busy month at the Club.

Sadly, last weekend we farewelled Peter Amezdroz. Peter had requested his service be held at the Club Rooms. It was nice to see so many of Peter's family and friends in attendance to show their respect and to support Pam. The Club Rooms opened at 9am in order to set up for the service. Peter's Pontiac Firebird was fittingly present in the Rooms.

After a 2 year hiatus due to the COVID pandemic the Bowling Challenge was back on again. It was held at Xplosions Bar and Bowl Melton. Many MRADMC members ventured out last Saturday to compete against the Western Restorers. Some of our members joined the evening simply to cheer on and give moral support, whilst others were content with sitting around with a couple of drinks for a chat. All in all a great night was had by all attendees. A minor setback delaying the start time did not hinder the competitiveness and pleasurable atmosphere.

Coffee and Cars at the BP Calder Outbound was held Sunday morning as per the usual ritual. I arrived at 9 am to find the car park full of familiar faces including the Chrysler Restorers who met there prior to driving out of Melbourne. After a quick chat they all drove off making room for the constant flow of Club cars coming in for the Sunday gathering. I counted over 20 cars and members standing around chatting and drinking coffee, The sun was out and you could feel that spring was ready to kick off.

Last month we had a last minute cancellation of our guest speaker. Phill Edwards called two hours before the meeting to advise that he had been stricken by COVID. His appearance has been pushed back. Hopefully all goes to plan this month and we get to listen to the great support network Sons of the West provides.

Take care. Stay safe and enjoy your classic.

John

Some great senior thoughts

The surest sign that intelligent life exists elsewhere in the universe is that it has never tried to contact us.

As I've grown older, I've learned that pleasing everyone is impossible, but irritating everyone is a piece of cake.

Common sense is like deodorant. The people who need it the most never use it.

My tolerance for idiots is extremely low these days. I used to have some built in immunity, but obviously there's a new strain out there.

It's not my age that bothers me, it's the side effects.

As I watch this generation try to rewrite our history, one thing of which I am sure; it will be misspelt and have no punctuation.

As I've become older, people think I've become lazy. The truth is I'm just being more energy efficient.

Turns out that being a "senior" is mostly just googling how to do things.

My mind is like an internet browser. At least 19 open tabs, 3 of them are frozen, and I have no clue from where the music is coming.

Treasurer

Hello everyone,

I hope you are all starting to get out and about with the warmth of Spring now upon us.

As I write, I can report we had a good turnout of Club Cars for the Bunnings “Fathers’ Day” event today on the 27th of August, which was fine and sunny. We had great fun in showing off our cars to the broader public and advertising the Hanging Rock event for 2023.

My vote was for Frank’s Lime Glaze XA GS Coupe, and Cliff & Kay’s Green Healey 100, both looked great in the sun (I like Green cars!!).

Really good to see was that Bunnings gave us a substantial gift voucher in appreciation, which we can use for a Club raffle prize at a later stage – Adam will advise at the next general meeting where it will be utilised.

Non-Financial Members and VicRoads requirements

As the date for renewing memberships for 2022/2023 has now past, the Secretary will advise VicRoads of those members who have left the Club, such as having moved away from the area, or resigned for other reasons.

This is a requirement that we keep VicRoads informed of current financial members, so their classic cars can be legally driven on our roadways.

Looking ahead at future costs

One of the duties of the Treasurer and the Committee, is to look ahead for what financial commitments are needed in the years ahead. Shortly, I will be working with the rest of the Committee in detailing works of a ‘capital’ nature (these are permanent assets, such as the Clubroom building & workshop and the larger fitout and equipment / storage items we have).

This will mean we can budget for future years, and put aside money for these larger items, rather than future Committees being surprised. We will report back to the members in the near future on the outcome of this work.

Thanks again for reading – and an especial welcome for any new members reading all this.

I look forward to seeing you at the club, and popping the bonnet of a few more members’ classic cars out there. Safe motoring...

BAY TO BIRDWOOD RALLY 2022

Held annually, the Bay to Birdwood is a mass-participatory citizen-collector driven historic motoring event that draws participants from around Australia and the world to celebrate historic motoring.

In 2022, the event is planned for Sunday 16 October. Vehicles manufactured prior to 1993 will be able to enter.

The Bay to Birdwood is one of the world's great historic motoring events and has been an iconic fixture on the South Australian events calendar since 1980.

Thousands of spectators line the 67 kilometre route to view the passing parade of historic motoring from West Beach through to the National Motor Museum, Birdwood in the Adelaide Hills. The crowd admiration for the antique, veteran, vintage, post-war/early-classic, classic, post-classic and modern classics is truly inspiring.

Club News

Here are some photos from the recent Bunnings Fathers Day exhibition, from my trusted side kick (aka Al Martino).

Club Charity remembered

A few weeks back I read an article in the Herald Sun that triggered some good memories

Some of you may recall the club's efforts in assisting Children's First Foundation to help bring their Kilmore Retreat back online so that they could continue to assist overseas children requiring major medical treatments not available in their own countries.

It doesn't seem that long ago that members – lead by Bob Walters – helped dig the foundations and partially fund the new Fire Fighting Water Tanks on site to allow the Retreat to regain its occupancy permits – see the photo of the finished tanks

And of course – the donation of suitcases by members (kindly hand delivered by Adam) to help the families pack to return to their home countries after their visit to Australia

We are fortunate to be able to engage in these activities as a club. For the coming year we could perhaps consider some further worthwhile charities to support

The mid-week runners! (August)

Wednesday 24th August 2022

St Anne's Winery, 64 Garrards Ln, Myrning

Thanks To Elizabeth Payne for the photos and run down of the day.

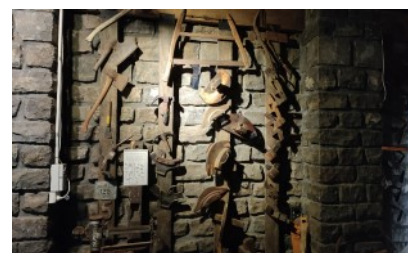

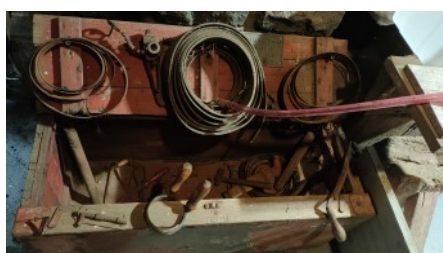

Despite some of the regulars being away on holiday a good number (22) of members turned out for the August Midweek Run on the 24th.

Meeting at our usual morning coffee venue of Bourkie's Bakery in Woodend we headed off towards Tylden. Then across country to Myrning.

Our destination was St Anne's Winery where they fed us well on scones and slices. Some of us took the opportunity to taste some of the ports and liqueurs that they make. All very drinkable and, yes, some bottles were bought.

We inspected the barrel room and the collection of antique coopering tools. Found out that the bluestone of the building came from the old Ballarat Gaol. The beams in the barrel room are very impressive, 300 to 400 mm square.

After the short drive to Bacchus Marsh we had lunch at Stoney's Club.

This picture was taken by our Secretary, Richard, at the Annual Bowling Challenge against Western Restorers at Melton. This is our fearless Vice President having a crack. Despite our opponents having the highest score for both male and female bowlers, we came out on top due to a balanced score from each of our bowlers over two games.

From the Library

The time has come the Walrus said, to talk of many things' -

Hi everyone, this month we've scored well for the Library. We've uncovered a lot of advertising material for various cars etc, a stack of 'glove box' manuals & more books. Books first:- Thanks to Vetty, for donating a few of her Dad's books which are:-

Motor Cycling in the 30's by Bob Currie
Great British Motor Cycles of the 50's by Bob Currie
The Encyclopedia of the Motor Car by Phil Drackett & G.N. Georgano
Veteran & Vintage Cars by Pedr Davis, and
Classic Cars of the 1930's & 1940's

We also scored some very interesting workshop manuals. Most are in fair to poor condition, (& rare), so they won't be going onto the bookshelves but will be available to borrow if required, just ask or contact the Librarian. Normally, as long as you let the Librarian know you've borrowed a book, & you bring it back, there are no hassles & there hasn't been a need to sign for them, but as these are rather special, we'll need signatures. They are:-

Holden Shop Manual—FJ Series—October 1956
Holden Shop Manual—FE Series—April 1957
Holden FE Illustrated Parts Catalogue— July 1956
Holden Shop Manual—FB Series—December 1959
Holden Shop Manual—EJ Series—Mechanical & Body—Undated (Circa 1962)
Holden Shop Manual—HR Series— 1966

Others not quite so rare but interesting nonetheless are:-

British Repair Manual—Cars & Trucks - 1947, (covers Ford, Hillman, Jowett, Singer, Standard & Vauxhall cars, & Bedford, Dennis, Guy, Leyland & Thornycroft Trucks)
Toyota K series Engine Repair Manual, which covers 2K, 3K-C, 3K-H, 4K, 4K-C, 5K & 5K-C

As for the glove box manuals, I'm still sorting through those & will advise what we have when the sorting is done.

This month, we also received a donation of some DVD's! Oh boy did we get some DVD's. It will take me a couple of terms as Librarian to catalogue them, (kidding), but more on those next month.

Cheers till next time

It was the yellow one!!
