Hi Everyone

Wow, it's December already.

There we go - another year passed.

There isn't much in the newsletter this month as everyone is winding down for Christmas.

If you can please put your name down for Hanging Rock, it's a great day and the more helpers the easier it will be.

You'll see a few flyers in this edition for upcoming events in 2023, if there are any changes to this I'll ensure to mark them as they arrive in the emails. Quite a few events are being postponed to next year due to the wet weather.

On that note, I would like to take this opportunity to wish all our members a wonderful Christmas and a Happy New Year.

See you in 2023 !!

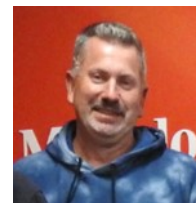

Okay, Ralph let me 'splain it you again.
You're big, I'm little; BUT!!! you're dog, I'm
cat that makes me the boss. Got it ??

THE FEBRUARY
MOTOR MOUTH
21ST JANUARY**

President

Welcome to the December Motor Mouth.

On behalf of the committee, I would like to wish members and their families a Merry Christmas. It has been a busy year catching up and wish you all Happy New Year.

The November meeting, was held on a Sunday, our guest speaker was Colin Russell. He was Ford's number one race engine builder in the 1970s, working on Falcon GTHO Phase 4, working for Larry Ormsby the Big O during his Drag Racing career, the of voice of Calder Park Raceway for many years, Tafe teacher and mentor just to name a few things.

Colin brought along some memorabilia, GTHO phase 3 engine spec sheet, team overalls from Moffatt Team in 1977, and many photos including a go-cart he built for a young Alan Jones (1980 Formula One Champion) We had a BBQ after the meeting and some members purchased Larry Ormsby's book and had it signed.

Coffee and Cars was a small gathering with members getting their club car or bike out for the morning.

Stefano Paino bought along his recently finished orange Charger with 340 Six Pack, you never know who will turn up with what on a Sunday morning.

Wednesday February 1st 2023 is the first club meeting starting at 8 pm, it's the Hanging Rock meeting so please try to volunteer and put your name on a roster sheet before this meeting.

January 2023 we are planning a club outing so please check your emails in the new year
Reminder - please leave your pets at home, bring your club cars

See you on the road.
Adam

Vice President

Hi All

November has come and gone and now we are into December. Looking back at 2022 I think we can say it's been a great year around the Club and with everyone's contribution much has been achieved.

The Club meetings moved to Sundays in November. Colin Russell, Ford Guru, was our guest speaker. He discussed his days working at the Ford Factory, known as Skunk Works, prepping GTHO Falcons, working around the clock. Colin spoke about his days in the drag racing industry including the days at Bathurst as a lead mechanic and crew chief.

Many thanks to Adam for making all of this happen this year. Thanks to Andrew, Mark and Daniel for preparing the BBQ lunch for us all and having it ready to coincide with the meeting's conclusion. The day was a great success, and we are grateful to have had so many members attend the meeting with their club car.

With the end of the year fast approaching we still have many things to attend to around the Clubhouse. Unfortunately, the weather hasn't been on our side, and we haven't been able to get to fixing the guttering and the roof flashing. It appears as every time we have attempted to have go at commencing it has either been too windy, too wet or we haven't been able to find two days in a row without rain forecasted. Hopefully in the new year better weather will come our way and will complete the much-needed repairs prior to next winter.

I would like to extend my gratitude to all the members who've supported club events and attended meetings throughout the year. Also, I must thank the committee for their contribution and work around the club including the executive committee for their support with keeping the Club running and ensuring that all runs smoothly. It's been a great year and I'm looking forward to 2023 and planning and participating in new and exciting events.

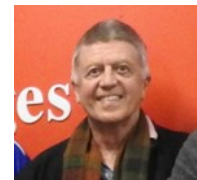

I would like to wish you all a Merry Christmas and a safe New Year. I look forward to catching up with you all next year.

Take care. Stay safe and enjoy your classic. John

Editor: Nothing to report.

General Business: Peter Walsh has advised that due to weather and the saturated pitch, the day has to be postponed to early next year, probably about March.

Pam Amezdroz warned members that VicRoads are no longer posting out Rego renewals, so make sure your rego is up to date.

The President declared the meeting closed 12.35pm

Richard Stewart
Secretary

Treasurer

Hello everyone,

I trust you are enjoying getting out and about in the warmer weather! I will keep this report as short as possible, as we finish off the year and prepare for a new one with regard to finances.

Benefits to Members

Whilst we on the Committee are committed to being good stewards of our assets and the money we hold, while spending on the usual items - running the Club and keeping the Clubhouse well maintained - we also look to benefit the members as much as possible.

Taking into account a financially successful Picnic at Hanging Rock, which gives us spare funds to do extras, we can then expand our funding of members activities.

This year we have been able to do a variety of things to help members, such as:

- Coffee Van at meetings
- Matching members' contributions to the Biggest Morning Tea (Cancer Victoria) charity
- Catering at meetings
- Subsidising member's entry at Midweek Run destinations
- Hanging Rock volunteer T-Shirts
- Other Charity donations, such as the Sunbury Winter Appeal
- The Bowling Night
- The Chrysler Challenge, and of course
- The Christmas Party at the clubrooms!

Last year, we reported some \$18,000 was spent on members' benefits, which equates to around \$60 for each of our 300 members. We feel this is a fair and responsible outcome, while keeping a modest surplus, so we don't have to dip into our savings.

The year ahead

Based on the above, the new Committee will look to do similar for 2023. Depending on the outcome of the Picnic at Hanging Rock event in 2023, we hope to do even better in the new year, in helping members enjoy their time at the Club.

Thanks again for reading – and an especial welcome for any new members reading all this.

I look forward to seeing you at the club, and popping the bonnet of a few more members' classic cars out there.

Safe motoring...

ROB ROY REVIVAL 18 -19 March 2023. UPDATE

Welcome to the 'Hill'

We will be very excited to welcome you to the inaugural Rob Roy Revival.

Rob Roy Revival will be held at Australia's oldest Hill Climb Track. This event is for invited pre 1980 Historic cars. The event will be staged in the style of the famous UK Revivals.

Track works update

The redevelopment of one of Australia's oldest historic tracks is expected to be completed by December 2022.

Works include, complete resurfaced track and return road. The dip at the approach to turn 2 is to be re shaped to eliminate under body damage. A new chicane between turns 2 and 3 will be an option for the track, plus a new tyre cleaning area before the start line.

The entry road from the front gate is also being sealed.

Rob Roy Revival

This event is more than just the sound and smell of historic race cars taking on one of Australia's most significant Motorsport venues.

Spectators will be encouraged to dress in pre 1980 period fashions, a full weekend of activities, including fashion shows, music, food vans, trade vendors and more.

2023 featured Marque

We are proud to celebrate Elfin and the legacy of Garrie Cooper, the designer, builder and driver of one of Australia's most successful race cars, with a minimum 10 Elfins competing.

Pit Area

The pits area will be recreating the 50s 60s golden era of Motorsport with all cars garaged and security after hours.

This is an Invited Event for all pre 1980 race cars, including Early Pre War GP cars, sports cars, open wheel race cars and touring race cars.

For an expression of interest to compete, please contact Rod Cooper (rodcooper@westnet.com.au)

Please Note: All existing expressions of interest will receive an email shortly with Revival entries to open 10th November 2022.

Please visit Rob Roy Revival trade site at 2022 Sandown Historics.

For further information contact Rod Cooper. Event Director 0409138899

Picnic at Hanging Rock Car Show - Volunteer Helpers Expression of Interest Wanted

Before we know it, the second Sunday in February 2023 will be here and hundreds of classic cars will be travelling to the beautiful Macedon Ranges and our Annual Picnic at Hanging Rock Car Show.

The PAHR Committee has been meeting and already have the cogs turning for another bumper show, but we can't do it alone, we also need help from all our members who are willing and able and keen to help make this another successful event.

A list is up on the board on the wall at the club rooms, which is just to the right as you walk in the doors, so next time you are at the club, just add your name, phone number and if you know what job you would like to help with, just add that to the comments box.

The list of jobs are endless and for those new members who have never been or any members who are not sure what is involved here are just a few you could put your name down for.

- ◆ **Parking Attendant** - Helps get the display cars parked safely and orderly
- ◆ **Signage** - If you want an early shift, this one is for you as signs have to be placed on the roads surrounding Hanging Rock Reserve to let patrons know what's what and where to go
- ◆ **Traffic Attendants** - This job requires helpers to have an Accredited Traffic Management Certificate, as traffic controllers are out on the roads near gates, directing cars safely into Hanging Rock Reserve. If this is something you already have or would be willing to undertake (the club can help you with this) this job may suit you
- ◆ **Safety Officer** - The main focus of the Safety Officer is just that, safety. Members will patrol the HR Reserve, usually in pairs, keeping an eye on safe behaviour of patrons and the surrounds, this includes the wildlife, in conjunction with the local park ranger of course.
- ◆ **Catering** - One of our most important jobs is keeping all helpers on the day fuel up with food and drink. If you love cooking up a storm on the bbq or can keep a steady supply of drinks and the table stocked, then this is for you. We require an early crew for breakfast and then another for serving lunch. This is a great job for those who can't walk long distances as you are set up in the pétanque club
- ◆ **Saturday Morning Set-up Crew** - We need a small army to help set up signs, bunting, the club compound around the Pétanque Club and get the reserve ready for our big day on Sunday
- ◆ **Afternoon Dismantle Crew on Sunday** - as patrons start to leave the reserve and the day is drawing to a close, we require a team to disassemble all the bunting, collect signs and help pack up the containers that have brought all out gear to the rock. Many hands make light work
- ◆ **Admin** - If you are great with organisation and have some people skills, you may be able to help coordinate our volunteers as they turn up for their allotted tasks for the day, manage any problems that arise throughout the day and help the event run smoothly
- ◆ **Merchandising** - Lina has her dedicated and well trained team to help her once again this year, but a few backup helpers are always needed. If you are able to help sell tee shirts and merchandise to patrons who attend our show, this is for you
- ◆ **Emergency Helpers** - We always need to have a selection of emergency helpers on hold, as unforeseen circumstances always arise and to help fill some gaps. If you can turn your hand to anything we would like to have you on the team

If members are unable to get to the club rooms to add their name to the list, a link will be provided shortly to all members, where you can submit an online response. All in all, if you would love to come along and join in the fun of PAHR and get to know your fellow club members, we would love you to join us and help make the 2023 PAHR Car Show another magnificent event.

PAHR ROSTER COORDINATOR

PICNIC AT HANGING ROCK CAR SHOW UPDATE

PAHR Committee recently met and everyone has reported on progress into their relevant areas.

In Summary planning is well under way.

Members are reminded to please contact Kate to indicate their availability to help out over the weekend. If you have a particular role you would like to undertake ensure you don't miss out and contact Kate asap.

We are also looking for a member to join the Committee and help out with organising placing traffic signs. Lou Stallini has previously looked after this area but has now stepped away from the Committee, so this is your chance to really get involved with planning our showcase event.

Please contact the PAHR Coordinator if you are able to help on the new dedicated HR email address—pahr@mradm.com.au

To assist the Committee members in planning around the PAHR planning meetings we have locked in the following meeting dates:

November 23rd 7:30 pm
December 14th 7:30 pm
January 25th 7:30 pm

Meetings are held at the clubrooms.

If you are interested in the workings of our Committee you are welcome to attend.

We have some exciting highlights in the works for the 2023 event. Once we have them confirmed I am quite certain members will be pleasantly surprised.

Regards
Alan Martin

BENDIGO BOTANIC GARDENS

Driving to Woodend in light rain wondering if a picnic in the gardens was the best choice for the run. Well as it turned out it was fine but a little cool when we arrived at White Hills Botanical Gardens.

We had a little stroll around the gardens, unfortunately the Aviary was closed so we made our way to the beautiful, ornate, pavilion and had our lunch.

We shared far too many Christmas pies and chocolate slices and confectionery for our own good but it is Christmas, or close enough anyway.

The weather had improved and the sun was shining as we made our way back to the cars. In the car park we had the traditional chat about the cars and additional interest of an unusual bicycle parked near us (see the photos).

We were only 8 in number but we had an enjoyable day.

BEAUTY IS IN THE EYE OF THE BEHOLDER

We understand the passion and the sheer emotional attachment motoring enthusiasts have for their special vehicle - even Goggomobils.

When it comes to insurance for your special car, daily drive, bike or your home, there's only one person you should talk to – a fellow enthusiast at Shannons. You can even pay your premium monthly at no additional cost.

So call Shannons for a    quote on 13 46 46.
