Editorial

Hi Everyone

Hope everyone is well and enjoying this early spring weather.

It's getting to that time of the year when all the motoring shows start to appear, I've tried to add as many into the newsletter that I can, hopefully you can see them all.

Most have a flyer in the newsletter as well as a mention in the calendar.

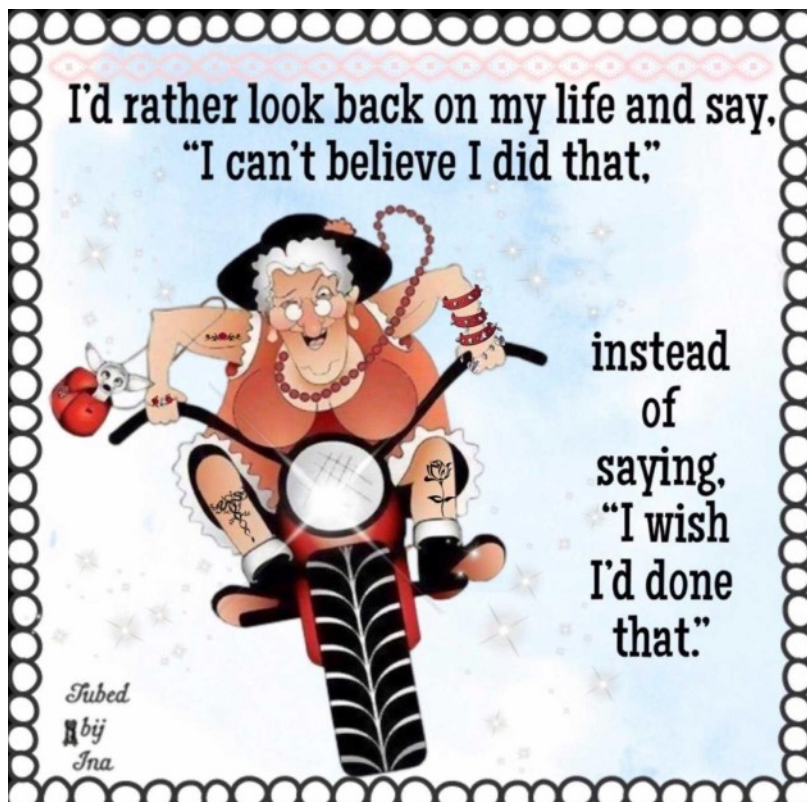

For those eagle eyed readers, you'll notice that our cover picture is again shown later in the newsletter (page 15) with some info from Pam, what a great achievement for the Cancer Council.

I'm trying to work out a few things to put a bit more life into this newsletter, so if anyone has any ideas, thoughts or feedback I'd love to hear them.

Thanks for reading.

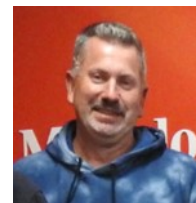

See you all at the next meeting.

**DEADLINE FOR
SUBMISSIONS FOR
THE OCTOBER
MOTOR MOUTH IS
16TH SEPTEMBER**

President

Welcome to the September Motor Mouth.

August was another busy month on the club calendar. Membership participation levels at every event has been really good as we transition from winter to spring.

Bowling Challenge was a great social night with our friends from the Western Restorers Club. Each club had 2 teams of 8 competing, and we started rolling around 7 pm. I did sneak in a bit of practice couple of weeks before but it didn't help. At dinner at La Porchetta afterwards we announced the scores, with Macedon Ranges winning the trophy again, and looking forward to next year.

Coffee and Cars the morning started off cool but it didn't deter people getting out their cars. We had some new members attend, plus the FX FJ car club used the BP as a meeting point for their club run.

The new **Honour Board** has been made in house by members and installed in the clubrooms. Thank you to those club involved .

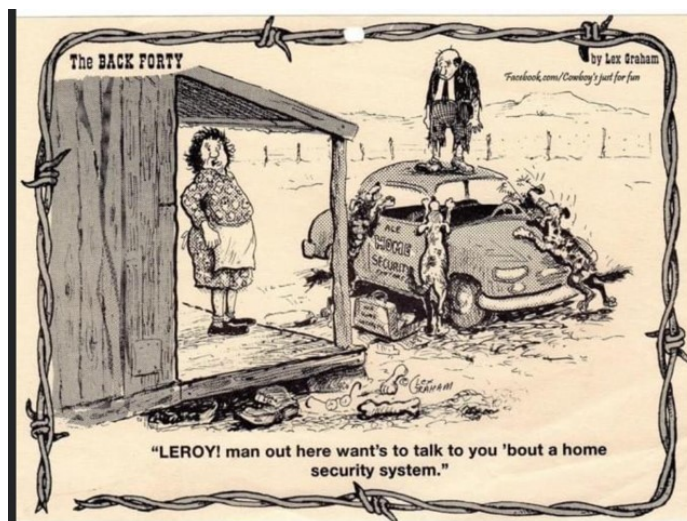

Red Plate Day the clubrooms opened at 8.30. Brian, Steve and Gary inspected approximately 20 club permit vehicles, including some new cars on the hoist for the first time. Andrew from APS Customs put some white and red 'walls' on vehicle tyres which can really improve the appearance of a vehicle. We finished the day off with a BBQ.

Club person of the year award you will receive an email voting form - please fill it out. It will be presented at the AGM in October.

The **2023 AGM** will be held on Sunday 8th October at 11 am followed by a BBQ. If you are considering a position on the committee, or would like to nominate someone, please see club Secretary for a nomination form.

Next club meeting Wednesday 6th September at 8.00 pm.

See you on the road.
Adam

Vice President

Hello Everyone,

It's been another busy month. As usual a number of things are happening with a number of others in the pipeline, so to speak.

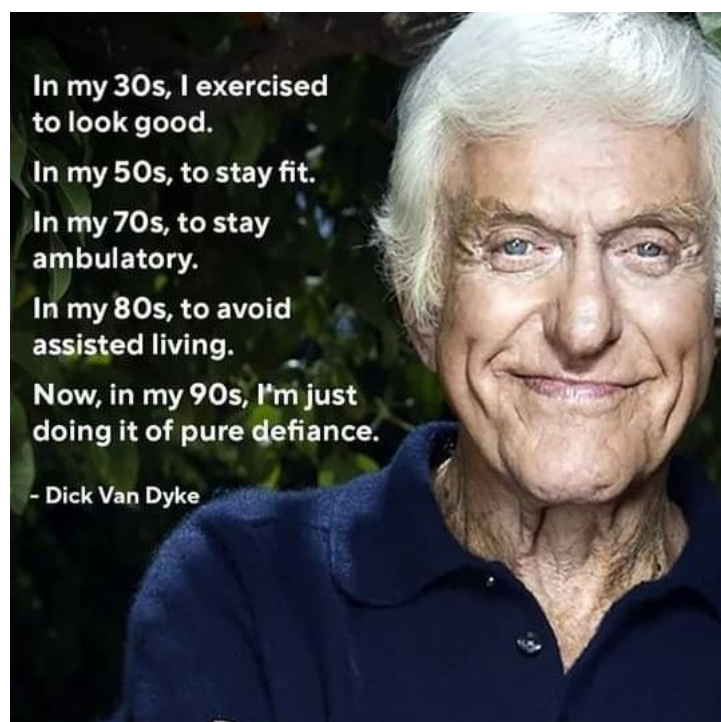

Last month's meeting was great. It was pleasing to have so many members in attendance despite the cold night, Kate Tabone, our Web Master, presented us with a very informative review of the Club's social media profile. I had accessed the Web page a few times but didn't realise how much information Kate actually adds to support the members.

I attended the Bowling event at Watergardens on Saturday Night. It was a great night. I didn't actually bowl, rather I was there giving support to the Team. MRADMC had just as many members watching as we did bowling. The night commenced at 6:30 with the last group finishing their game a little after 9:00 pm. Some members continued on to enjoy a late dinner whilst others (me included) went home to sleep.

The following morning was 'Coffee and Cars', another great turn out. Many regular attendees turned up including a few not so regular with a good mix of Club cars on display. Parking alongside was the Early Holden Car Club showcasing many 48/215 and FJ Holdens examples, some standard and some not so standard. I chatted with a few members advising them that it was our regular monthly meeting spot all year around.

At last month's meeting I asked for an expression of interest to establish the viability of a Car run out to the RAAF Museum at Point Cook. A booking has been made for November 12th. Look out for the flyer in the upcoming Motor Mouth edition. As the date gets closer I will seek to collect names and registration numbers of interested members as required by RAAF.

Take care. Stay safe and enjoy your classic.

Richard Stewart

Treasurer

Hello everyone,

I trust you have been enjoying getting out to one of our various Club activities, as it is a busy time with the warmer weather now with us!

And it is at this time of the year where we start preparation for the **Annual General Meeting (AGM)** in October, especially for me as Treasurer, in getting the annual audit of our finances arranged.

When preparing the paperwork for the External Audit, it struck me the wide range of partnerships I have in the Club, both for income and expenditure. So, this is my chance to thank those in the Club that do their work, many times without acknowledgement, who help me do my job.

So in no particular order, my personal thanks go to the following members - and apologies if I've left anyone out!!

Alan M and Co.: Our magnificent Hanging Rock Event Committee members, with all the money coming in (tickets, sponsors, and exhibitors) and going out (Dunnies, Buggies, CFA, and Ambulance, etc. you name it, we pay for it!), this is a huge undertaking.

Lina: Our amazing merchandise expert, who makes available the Club clothing and badges – especially at the Hanging Rock event, where we sell thousands of \$ worth of goodies to the public.

Michael: Who keeps the membership database up to date, and provides all the name badges and membership cards – a big job for a large club like ours.

Pam, Viv & Co.: Our Biggest Morning Tea event, a great way to support Cancer Victoria, and their organising of the Mid Week Run, a pleasure to pay the bills that come in when we subsidise part of the entry costs.

Brian J & the scrutineering team: For all the 'red plate' car inspections, and taking the \$10 fee, it all helps!

Trish: Our hard working Bookkeeper, who keeps us all legal with our BAS reporting requirements and financial controls, and of course her role as our Editor, a great job in keeping us up to date.

Kate: Taking on the role as Webmaster, a significant step forward in keeping us and the broader public aware of what we do and how to be involved... of course, greater involvement means increases in net income.

Alec: In paying his Florist bills, means I know how much Alec looks after the wellbeing of members, and checking up on them – flowers are a wonderful way of saying we're thinking of you. And it's great to have Bernadette along as our new Lady Wellbeing support person, in assisting Alec in this important role.

Trevor: How else are we going to stock the bar and sell our drinks responsibly?

The Executive and Committee members: Who constantly remind me of their commitment to the Club, and its ongoing work, by giving me plenty of bills to pay – everything from Cleanaway Bins, Building repairs, Catering, Car Runs (thanks Clara), Bowling Nights, and stacks of other duties performed behind the scenes.

Yvette - and now **Nicky** – Someone has to be there to run the Raffle and get the prizes organised!!

This is just a snapshot of the various positive things people do in the Club, that impact on the Treasurer's role and responsibilities, and I am deeply thankful to you all for your input and support.

Now for the External Auditor to agree with me!!

Best wishes out there enjoying and sharing in our friendships, and vehicles.

Drew Jessop
Treasurer

Silly Club Stats

So, here are the answers to the Silly Stats questions.

Can you guess which location has the most members?

Sunbury = 87
Gisborne = 57
Woodend = 33

Which male name is the most common?

Peter & John 16 each
Paul = 13
David = 12

Which female name is the most common?

Karen = 7
Lorraine = 4
Barbara & Margaret = 3 each

Who lives the furthest away from the Clubhouse?

St Andrews Beach = 160.71K – Michael Dwyer
Stanhope = 151.93K – Lindsay Elliott
Winchelsea = 130.48 – Gary Johnstone
*Honourable mention 112.36 (Drysdale) – Graeme & Karen Lemin

Who lives the closest?

Two members live 1.32K from the clubhouse
Two members live 1.84K from the clubhouse
One member lives 1.96K from the clubhouse
'However'!! – on the night I presented these figures, I was pleasantly gazumped by a new member I didn't have recorded who lives less than 20 metres away from the clubhouse.

Which, 'Family' has the most members under one membership?

The Camilleris' have five memberships

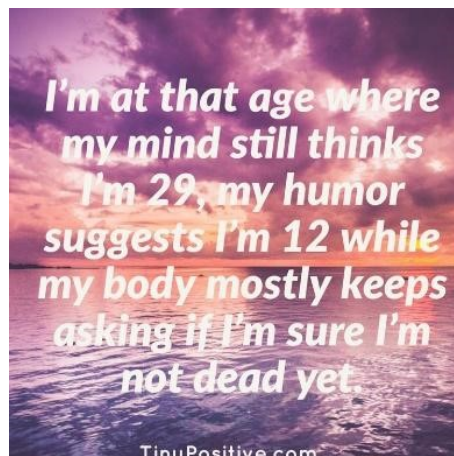

Which 'Family' has the most memberships?

The Parnis Family have 6 memberships with 9 members
The Cammilleri Family have 4 memberships with 9 members
The Kovacs Family have 3 memberships with 4 members

A question from the floor was asked in relation to who had the most cars & what was the most popular make of car, but I was unable to answer those questions. As the wellbeing officer I only have access to names & addresses for welfare purposes. Maybe we can convince the exec to come up with the answers to those two questions??

Stay tuned for next month's newsletter, where I hope to have that last question answered.

Until next time,
Alec Mead

The Gippsland Vehicle Collection invites you to come for a walk down memory lane as we present our take on "Living in the 70's".

Included in the display - Leyland's "Home of the orange" is the colour of choice on the Force 7 Leyland coupe which was one of only 10 cars to survive the shut down in the mid 70's. Ford wasn't left out of the colour controversy with its XA Ford GT coupe finished in "Yellow Fire".

The 1973 Bolwell Nagari Coupe was originally offered as a kit or as a fully road going car. Built in Mordialloc, these cars were Australia's first and only full factory production sports car this a line up of Australian cars that were the day-to-day transport, brightly coloured, at times highly optioned and now 50 years later highly sought after and very valuable.

AND MUCH MORE. DISPLAY ON UNTIL THE END OF OCTOBER!!!!

THIS IS IMPORTANT AS IT RELATES TO YOUR VIC ROADS REGO FOR YOUR CLUB PLATED CAR

FROM THE AOMC VIA EMAIL DATED 22 JUNE 2023

The AOMC is aware that some July Club Permit renewals have been printed and issued with incorrect expiry dates (2023 rather than 2024) and have approached VicRoads for their advice for club members who have been impacted. VicRoads have provided the following information and guidance for Club Permit holders.

VicRoads are aware that a small number of club permit holders have received an incorrect club permit renewal notice, reflecting incorrectly a 2023 expiry.

This error impacted renewals with an expiry between 1 and 25 July 2024.

Impacted customers are still able to use this notice for payment of their club permit. Once paid, VicRoads will issue the correct label for your vehicle and logbook.

VicRoads will be writing to impacted customers and will be re-issuing renewal notices with the correct dates.

This issue is limited to club permit vehicle renewals only and does not impact driver licence or normal vehicle renewals.

AROUND THE CLUB

The mid-week run - August

The August Mid Week Run was held on Wednesday 23.

When I was planning this run, I envisaged a cold, probably wet winter day, and so the visit to an indoor venue. The weather could not have been more different. Our little cavalcade of cars headed into beautiful sunshine and a lovely warm, still day in Castlemaine.

Our first port of call was to Coffee Basics, (a coffee shop that is anything but basic). Set up in the style of a Viennese coffee house offering all the delights befitting such an establishment.

After some time enjoying the refreshments and swapping many stories we moved across to the Mill Market next door.

The members scattered themselves throughout the market combing the stalls for treasure. Some of us came out struggling to carry practical parts, some bought vintage records, and some bought decorator pieces for the home. Some of us just had fun trying on crazy hats and jewellery, soon it was time to move on to The Five Flags Hotel at Campbells Creek for lunch.

As we have found in previous visits, the hotel was very accommodating to our group, our meals were generous and arrived in a timely manner. It seemed to me that everyone enjoyed their day in the goldfields area.

We had 18 people attend with 3 club cars.

MRADMC POINT COOK RAAF MUSEUM

November 12th

As mentioned at last month's meeting a Club Run out to Royal Australian Air Force, RAAF, Point Cook has been booked for 12th November. As the museum is located on an active military base we are required to supply identification before attending the Base. I will need to provide a list of the registration of all vehicles including the names of all visitors travelling in each vehicle. All visitors over the age of 16 are required to show some form of photographic identification on arrival.

There is an interactive flying display every open day commencing at 1.00pm. This includes one of the 100 Squadron RAAF historic aircraft performing a flying display, with the pilot speaking and answering questions before and after the flying.

Please email Clara events@mradmc.com.au if you would like to attend. As the date draws closer I will create a list of all the details I need to email to the RAAF before we arrive.

1953: Memorable all-new cars and milestones

What a year! Buick was celebrating its 50th anniversary. Ford was also 50 years old and released its landmark F100 truck, as showcased in last month's Retroautos. BMC experienced its first full year of operation and Spain's SEAT debuted its first car. Meanwhile, Japan began making cars sourced from the UK and France.

George's Classic 1963 Bullet Bird:

'What to tell your wife before the Thunderbird arrives'

Is there another American car of the 1950s and 1960s as famous as the Ford Thunderbird? The Thunderbird, named for a Native American mythical bird said to bring thunder, has created its own powerful mythology.

Help us provide support for **Evie's Battle with Cancer**

Support the Moorhouse family as their 8 month old daughter Evie battles Leukaemia

On October 11th, 2022, the Moorhouse family of Gisborne received the shocking news that their 8 month old daughter Evelyn (Evie) has an aggressive form of Leukaemia. Evie was immediately admitted to the Intensive Care unit at the Royal Children's Hospital where the team is working to get Evie well enough to start chemotherapy.

Evie has a long road ahead of her, with at least a month of intensive treatment and then two years of ongoing care. We are raising money to help ease the financial pressure on the Moorhouse family as Evie's parents will be unable to work so they can be by her side. Any donation will help Evie and her family throughout this heartbreaking time.
